From the time the staff walked in to the time they left I did not have one worry. The food was fantastic. Everyone was very professional always on time. There is a great menu selection that suits any function that you are holding or they will adapt a menu to suit your requirements, nothing is too much trouble. I highly recommend Tall Poppies for your next Function whether it is for business or a social event.

We have been using Tall Poppies Catering since [May] 2006. John and the team have been, and continue to be accommodating, professional and incredibly efficient with the service they provide Galileo Kaleidoscope. Aside from that... the food is absolutely delicious!"

John, from Tall Poppies Catering, has been delivering great food to us for about 4 years now and I am happy to write, on behalf of all of us at Environmental Partnership, to say that the food is always well presented, best quality and delicious. John can always be relied on to deliver on time. I have no hesitation in recommending Tall Poppies Catering.
